

CALL FOR APPLICATION FOR THE SELECTION OF TEMPORARY STAFF

No AD.2024.03 — Toxicologist – Laboratory network Temporary agent AD 6 — 5-year contract

EMCDDA

The EMCDDA is one of the European Union's decentralised agencies. Established in 1993 and based in Lisbon, it is the central source of comprehensive information on drugs and drug addiction in Europe.

On 2 July 2024, the European Monitoring Centre for Drugs and Drug Addiction (EMCDDA) will become the European Union Drugs Agency (EUDA).

To address the growing need for forensic and toxicological data, specialist expertise and better coordination between laboratories in the EU Member States, Article 15 of Regulation (EU) 2023/1322 of the European Parliament and of the Council of 27 June 2023 on the European Union Drugs Agency (EUDA) and repealing Regulation (EC) No 1920/2006 ⁽¹⁾ stipulates that the Agency shall set up a network of forensic and toxicological laboratories ('the network') active in investigations of drugs and drug-related harms. As part of this, the EUDA is establishing a competence centre to manage the work of the network.

The EMCDDA is an equal opportunities employer and accepts applications without distinction on the grounds of age, race, political, philosophical or religious conviction, gender or sexual orientation and regardless of disabilities, marital status or family situation.

For further information on the EMCDDA, please visit:

<https://www.emcdda.europa.eu/>.

Position

The position we are recruiting for is currently situated within the Risks to Public Safety and Security unit, and the selected candidate will be reporting to the Head of the Risks to Public Safety and Security Unit.

The job holder will contribute to the EMCDDA/EUDA actions that support and strengthen national and EU-level preparedness and responses to cross-border security and public health threats by providing expertise on the analysis and interpretation of biological samples related to illicit drugs, new psychoactive substances, their metabolites and precursors, as well as related substances such as adulterants, diluents and impurities.

Main duties

The successful applicant will be requested to perform the following main tasks and responsibilities:

⁽¹⁾ OJ L 166, 30.6.2023, p. 6–47. See: <https://data.europa.eu/eli/reg/2023/1322/oj>

- to provide technical expertise in forensic drug chemistry and toxicology, including forensic toxicology and/or clinical toxicology, of drugs and drug-related harms;
- to coordinate the collection and analysis of toxicology data generated by laboratories of the network;
- to exchange information of data and information on new developments and trends generated by the network, to advise and respond to queries and technical requests from a range of stakeholders, including from EU institutions, Reitox national focal points and other relevant partners;
- to support the coordination of the EU network of forensic and toxicology laboratories established under the EUDA;
- to support the organisation of meetings of the network, and to organise meetings of the toxicology network working group, as relevant;
- to actively foster relations with existing toxicology networks and organisations active in the same areas as the network;
- to promote the implementation of quality assurance schemes, related to the analysis of biological samples, and the harmonisation of data collection and analytical methods;
- to support the preparation and implementation of rules and procedures for identifying and financing projects undertaken by the network; and to support the development, updating, and revision of the EUDA's guidance documents and operating procedures relevant to the post;
- to manage contracts of the network;
- to contribute to the development and management of a database to store, analyse and make available the information and data collected or generated by the network;
- to actively contribute to the evidence-based reports prepared by the EUDA;
- to develop, in conjunction with the network, training to enhance the competence of toxicology and forensic drug experts;
- to represent the EUDA in scientific and institutional meetings, training events, and any other events relevant to the work of the EUDA.

The job holder may be required to contribute to other areas of work, according to the needs and priorities of the EUDA.

In order to perform the duties of the post and ensure effective communication with the different actors and stakeholders involved, the main working language required for the job is English.

 3. knowledge of the functioning of the European Union institutions and, in particular, of the role of the EMCDDA/EUDA.
-

2. Submission of applications

2.1. Overview

Procedure

- Interested candidates must apply for this post through the EMCDDA e-recruitment application, accessible via this link: <https://e-recruitment.emcdda.europa.eu>.
 - To make an online application candidates will need to create their EMCDDA profile using a valid e-mail address and a password.
 - During the application procedure, candidates should ensure that they clearly indicate how they meet the selection criteria in their application.
 - All sections of the application should be completed in English in order to facilitate the selection procedure.
-

Deadline for applications

The closing date for the submission of applications is 04/03/2024 at 23.59, Lisbon time.

2.2. Selection procedure

Selection on files

- During the selection on files, the selection committee assesses, on the basis of each application file received, whether candidates meet the requirements set for admission, eligibility and selection.
- The essential requirements have a maximum of 10 points each. Non-compliance with at least one of the essential selection criteria will result in the exclusion of the candidate from the selection process.
- The advantageous requirements have a maximum of 5 points each. Advantageous criteria constitute additional assets and will not result in exclusion, if not fulfilled.
- On this basis, the selection committee will select the candidates that obtain at least 60% of the total points available to rank their compliance with the essential requirements and with the advantageous requirements.
- The maximum number of invitees for an interview shall be 10. This ceiling may be altered, depending on the number of applications received, by decision of the appointing authority/authority authorised to conclude employment contracts (AA/AACC). Should the case arise that there are various candidates scoring the same number of points in the 10th ranking, the number of candidates to be invited will be increased accordingly to accommodate this.

Interview and written test

- The selected candidates will be invited to carry out an interview and a written test.
- Interviews will be held by the selection committee, either at the EMCDDA/EUDA premises or remotely (online).
- The candidates will be assessed on the basis of the essential requirements mentioned above out of a maximum of 10 points each and the advantageous requirements above out of a maximum of 5 points each.
- Candidates will be asked to undergo a written test, either at the EMCDDA/EUDA premises or remotely (online).
- The written test will be assessed on the basis of the essential requirements mentioned above and a maximum of 30 marking points will be available for this purpose.

Reserve list

- The work of the selection committee ends with the preparation of a draft reserve list of candidates considered suitable to occupy the position advertised, to be proposed to and approved by the AA/AACC of the EMCDDA/EUDA.

- Only candidates who reach 70% of the marking points can be included in the reserve list for appointment.
- On the basis of the adopted reserve list, the appointing AA/AACC of the EMCDDA/EUDA may offer a contract of engagement.
- Candidates shall note that inclusion in the reserve list does not guarantee recruitment, which will depend, among other things, on availability of vacant posts and budget.
- The established reserve list may be used in order to fill similar positions within the EUDA.
- The reserve list will be valid until 31/12/2026 and may be extended by decision of the EUDA appointing authority/authority authorised to conclude employment contracts.

Selection committee

The selection committee for this selection procedure will be composed as follows:

- Iciar Indave (chairperson and member designated by the EMCDDA Staff Committee)
- Ana Gallegos (member)
- Michael Evans-Brown

The selection committee's work and deliberations are strictly confidential and any contact, either direct or indirect, with its members is strictly forbidden. The confidentiality principle is intrinsic to all steps of the recruitment procedure and is in accordance with Article 6 of Annex III to the Staff Regulations of Officials of the European Communities.

Information on the process

Due to the high volume of applications expected, only candidates selected for interview will be contacted. Candidates who have not been contacted by the EMCDDA by 31/05/2024 should consider that their application has been unsuccessful.

For up-to-date information on the process of this selection procedure, please visit the EMCDDA's website at the following link:

<https://www.emcdda.europa.eu/about/jobs>.

Applicants invited for interview may be entitled to a flat-rate contribution towards travel and subsistence expenses. Information will be provided together with the invitation letter.
