

CALL FOR APPLICATIONS FOR THE SELECTION OF CONTRACT STAFF

N° EMCDDA4GE.CA.2021.02— Project scientific analyst on health

Contract agent (M/F) grade FG IV

The EMCDDA is one of the European Union's decentralised agencies. Established in 1993 and based in Lisbon, it is the central source of comprehensive information on drugs and drug addiction in Europe.

The EMCDDA is an equal opportunities employer and accepts applications without distinction on the grounds of age, race, political, philosophical or religious conviction, gender or sexual orientation and regardless of disabilities, marital status or family situation. The EMCDDA actively encourages applications from women.

For further information on the EMCDDA, please visit <http://www.emcdda.europa.eu/>

1. Job profile

1.1. Overall purpose

The jobholder will work as a Project scientific analyst on health (Contract Agent Function Group IV) assigned to the EMCDDA4GE Project, an EU-funded technical cooperation project of 2 years' duration. The jobholder will be responsible for a wide range of technical and scientific tasks in field of demand reduction related to the implementation of the project. He/she will be involved in planning activities, developing and delivering training, organising events liaising with networks and entities in Georgia, as well as analysing data on drug use and responses, interpreting findings, drafting and contributing to various reports on drug situation in this region.

The jobholder will be located in the Public health unit and will be line managed by the head of the Support to practice sector, working closely with the Head of the Public health unit. They will liaise closely with the Project Coordinator.

Considering the horizontal nature of this project, in order to ensure the efficient execution of tasks, the vehicular language of this post has been defined as English.

1.2. Main duties

The successful applicant will be requested to contribute to the following tasks:

- Contribute to planning the project activities, in particularly linked to assessments, capacity building and reporting on drugs and drug-related health issues;
- Deliver high quality inputs based on existing EMCDDA data collection and analysis methodologies;
- Coordinate the implementation of capacity building activities in the area of health and social responses, specifically the roll out of the EUPC prevention curriculum;

- Coordinate needs assessment and the development of new modules for training of drug treatment professionals, including support to implementation of online or face-to face training;
- Support preparation of training materials assuring compatibility with EMCDDA training platforms;
- Support the identification and selection of participants for the training modules;
- Coordinate and implement training evaluation, and prepare activity reports;
- Establish and maintain working relationships with experts in Georgia on drug-related public health matters;
- Coordinate with relevant partners working in Georgia to ensure complementarity with other international projects and stakeholders;
- Contribute to delivery of the regular and ad-hoc project implementation reports;
- Contribute to the delivery of the work programme of the Public Health Unit;
- Any other tasks as defined by the Head of sector and Head of unit.

2. Job requirements

2.1. Eligibility requirements

The following requirements shall be met by the deadline for applications:

- A level of education which corresponds to completed university studies of at least three years attested by a diploma;
- At least three years of relevant professional experience starting with the first position occupied after the completion of the diploma or certificate required for admission to this selection procedure, as mentioned above;
- Be a national of one of the Member States of the European Union, Norway or Turkey;
- Have fulfilled any obligations imposed by the applicable laws concerning military service, if applicable;
- Produce the appropriate character references as to the suitability for the performance of the required duties;
- Be physically fit to perform his/her duties ⁽¹⁾;
- A thorough knowledge of one of the official languages of the European Union and a satisfactory knowledge of another of these languages to the extent necessary for the performance of the required duties ⁽²⁾.

2.2. Essential requirements

Eligible candidates will then be evaluated as follows:

- a- On the basis of the written application by assessing the following:
- Working experience in the field of substance use treatment;
 - Working experience in the area of public health monitoring and information systems;
 - Experience in the coordination of projects;
 - Experience in the development and delivery of training and capacity building;
 - Proven ability to draft high-quality scientific and technical documents in English (applicants are requested to provide the selection committee with one example of their work in pdf format to be sent by e-mail to EMCDDA4GE.CA.2021.02@emcdda.europa.eu).

⁽¹⁾ As a condition for appointment, the successful candidate shall be medically examined in order that the EMCDDA may be satisfied that he/she fulfils this requirement, as foreseen in Article 12(d) of the Conditions of employment of other servants of the European Communities.

⁽²⁾ **N.B.:** In addition, in order to be eligible to a first promotion, the staff member shall prove a working knowledge of a third EU language.

b- On the basis of the interview and the written tests by assessing the following:

- Knowledge and understanding of drugs and monitoring issues;
- Ability directly relevant to project management in the public health field;
- Knowledge and understanding of issues related to drug treatment interventions;
- Knowledge and understanding of training and cultural adaptation issues;
- Ability to draft high-quality technical documents in English;
- Excellent communication skills and the ability to work effectively with staff at different levels of seniority and cultural backgrounds;
- Ability to work in a team and collaborate with people, and ability to facilitate interdisciplinary and/or multicultural collaboration;
- Flexible and objective-oriented approach, with the ability to handle multiple tasks simultaneously.

2.3. Advantageous requirements

Non-compliance with the advantageous requirements is not a condition for exclusion of applicants as these will be taken into account as assets while assessing each application. Advantageous requirements will only be assessed once during the course of the selection procedure, either in its first or second phase, according to the skills concerned. The advantageous requirements are as follows:

a – On the basis of the written application by assessing the following:

- Relevant postgraduate training or a higher degree.

b – On the basis of the interview and written tests by assessing the following:

- Clinical knowledge in the drug treatment area;
- Ability to manage international projects;
- Ability to design and implement professional training courses;
- Ability to analyse documentation and complex topics and produce top-level summaries and presentations;
- Good organisational skills, and ability to set priorities, cope with tight deadlines and work under pressure;
- Knowledge of the functioning of the European Union institutions and, in particular, of the role of the EMCDDA.

3. Submission of applications

Interested candidates must apply for this post through the EMCDDA e-recruitment application, accessible on this link: <https://e-recruitment.emcdda.europa.eu>. Please note that to make an EMCDDA online application you will need to create your EMCDDA profile using a valid e-mail address and a password.

The closing date for the submission of applications is 15/04/2021 at 23.59, Lisbon time.

4. Selection procedure

The selection will be carried out in two phases:

Phase 1: The selection committee will analyse the applications to verify the candidates' eligibility, by assessing their compliance with the relevant requirements, as set out in this call for applications (see

section 2.1. above). Failure to comply with one of the eligibility requirements shall result in the exclusion of the applicant concerned from the selection procedure.

The selection committee will then select the eligible candidates who have obtained at least 60 % of the total points available to rank their compliance with the established essential requirements (as set out in section 2.2.a. above, a maximum of 10 marking points being available for each essential requirement) and with the established advantageous requirements (as set out in section 2.3.I. above, a maximum of 5 marking points being available for each advantageous requirement). The best ranked candidates, up to a maximum number of 10, will be invited to the next phase of the selection process. This number may be changed by decision of the appointing/contracting authority, depending on the number of applications received.

Phase 2: This phase will consist of a written test and an interview to be held by the selection committee, either at the EMCDDA premises or remotely (online). Via the interviews the selection committee will assess the compliance of the invited candidates with the established essential requirements (as set out in section 2.2.b. above, a maximum of 10 marking points being available for each essential requirement) and with the established advantageous requirements (as set out in section 2.3.II. above, a maximum of 5 marking points being available for each advantageous requirement). Candidates will be asked to undergo a written test related to the nature of duties to be performed. The selection committee will assess the result of the written tests anonymously, a maximum of 30 marking points being available for this purpose.

The final assessment will reflect the results of the interview and of the written test.

Please note that the selection committee's work and deliberations are strictly confidential and that any contact, either direct or indirect, with its members is strictly forbidden.

The selection committee for this selection procedure will be composed as follows:

Paul Griffiths (Chairperson)
Jane Mounteney (member)
Marica Ferri (member)
Cécile Martel (member)
Gregor Burkhart (member designated by the EMCDDA Staff Committee)

Due to the large volume of applications, only candidates selected for phase 2 will be contacted. Candidates who have not been contacted by the EMCDDA by 31/05/2021 should consider that their application has been unsuccessful. For up-to-date information on the process of this selection procedure, please visit the EMCDDA's website at the following link:
<http://www.emcdda.europa.eu/about/jobs>

Applicants invited for the second phase may be entitled to a flat-rate contribution towards travel and subsistence expenses. Information will be provided together with the invitation letter.

5. Reserve list and engagement

The work of the selection committee ends with the preparation of a draft reserve list of candidates considered suitable to occupy the position advertised, to be proposed to and approved by the appointing/contracting authority of the EMCDDA.

Only candidates who reach 70 % of the marking points available for the second phase can be included in the reserve list for appointment. On the basis of the adopted reserve list, the appointing/contracting authority of the EMCDDA may offer a contract of engagement. Candidates shall note that the inclusion in the reserve list does not guarantee recruitment, which will depend, among other things, on availability of vacant posts and budget.

The established reserve list may be used in order to fill similar positions within the EMCDDA.

The reserve list will be valid until 31/12/2023 and may be extended by decision of the EMCDDA appointing/contracting authority.

6. Conditions of employment

6.1. Legal framework

A contract offer will be made pursuant to the Conditions of employment of other servants of the European Union, (see <http://eur-lex.europa.eu/LexUriServ/LexUriServ.do?uri=CONSLEG:1962R0031:20140101:EN:PDF>).

The EMCDDA is in position to offer a contract for this post (FG IV) for a duration ranging from the entry into function date until 30/04/2023. Subject to a possible EMCDDA4GE project's duration and funding extension, the EMCDDA may offer an additional contract until the new ending date of the project.

The place of employment will be Lisbon, Portugal, where the EMCDDA has its seat.

6.2. Pay and welfare benefits

The job holder's monthly basic salary, for FGIV in grade 13 will be approximately EUR 3 500 and in grade 14 approximately EUR 4 000. In addition to this basic salary, the jobholder may be entitled to various allowances, in particular an expatriation or foreign residence allowance and family allowances, including household allowance, dependent child allowance, pre-school allowance and an education allowance.

Under certain circumstances, in particular where the job holder is obliged to change his/her place of residence in order to take up employment, the EMCDDA may also reimburse various expenses incurred on recruitment, notably removal expenses.

The salary of the job holder is subject to a Community tax deducted at source and is exempt from national tax. The salary package will be affected by a weighting factor and includes the European Community social security and pensions schemes.

6.3. Confirmation of engagement and security clearance

Staff engaged by the EMCDDA are required to serve a probationary period of nine months. Successful applicants may be required to undergo a security vetting and clearance procedure.

A certificate of good conduct must be provided to the EMCDDA prior the signature of the employment contract. In case of unfavourable entries in the certificate of good conduct, the EMCDDA reserves the right not to award an employment contract.

6.4. Declaration of commitment to serve public interest independently

Staff engaged by the EMCDDA are required to make a declaration of commitment to act independently in the public interest and to make a declaration in relation to the interests that might be considered prejudicial to his/her independence.

EMCDDA staff is required to carry out their duties and conduct solely with the interests of the EMCDDA and of the European Community in mind; they shall neither seek nor take instruction from any government, authority, organisation or person outside his institution. EMCDDA staff shall carry out the duties assigned objectively, impartially and in keeping with the duty of loyalty to the EMCDDA and to the European Community.

7. Request for review and appeal procedure

A candidate who feels that a mistake has been made during the selection procedure may ask to have his/her application reconsidered by sending, within 20 calendar days from 31/03/2021, a request for review, quoting the number of the selection procedure concerned to the Chairman of the selection committee at the following address:

EMCDDA
Chairperson of the selection committee
Praça Europa 1, Cais do Sodré
1249-289 Lisbon
Portugal

The selection committee will reconsider the application and notify the candidate of its decision within 45 calendar days of receipt of the letter.

If a candidate considers that he/she has been adversely affected by a particular decision, he/she can lodge a complaint under Article 90(2) of the Staff Regulations of Officials of the European Communities and Conditions of employment of other servants of the European Communities, at the following address:

The EMCDDA Director
Praça Europa 1, Cais do Sodré
1249-289 Lisbon
Portugal

The complaint must be lodged within three months. The time limit for initiating this type of procedure (see Staff Regulations <http://eurlex.europa.eu/en/index.htm>) starts to run from the time the candidate is notified of the act adversely affecting him/her.

Like all citizens of the European Union, you can make a complaint to the European Ombudsman:

European Ombudsman
1 avenue du Président Robert Schuman — CS 30403
67001 Strasbourg Cedex
FRANCE
<http://www.ombudsman.europa.eu/media/en/default.htm>

Note that complaints made to the Ombudsman have no suspensive effect on the period laid down in Articles 90(2) and 91 of the Staff Regulations for lodging complaints or for submitting appeals to the Civil Service Tribunal under Article 270 of the Treaty on the Functioning of the European Union. Note also that, under Article 2(4) of the general conditions governing the performance of the Ombudsman's duties, any complaint lodged with the Ombudsman must be preceded by the appropriate administrative approaches to the institutions and bodies concerned.
